

Here's a Vitamin and Mineral Formula (Custom Designed For Bodybuilders) To Make Getting the Nutrients You Need **SIMPLE** Instead Of Difficult

Does this sound familiar? You take most of the supplements on your shelf, but it has become too complicated to manage all your bottles of vitamin and mineral supplements. Do you have half used bottles of this and that sitting there unfinished because they didn't seem to work and they took too much mental energy to manage? If that's how you feel about taking your vitamins, you're not alone!

It's amazing how we can seem to manage extraordinary careers, family commitments, training schedules...the list goes on and on, but we can't seem to take our vitamins and minerals everyday. If that sounds familiar, then this is for you!

Get Every Nutrient You Need in Just 4 Little Pills a Day

Beverly International is proud to introduce you to **ULTRA-4**. This is one of the most complete and sophisticated combinations of biologically active forms of vitamins and minerals available anywhere! Each tablet is carefully processed into a unique, sustained-release formulation of vitamins and minerals in ratios that actually act synergistically to help you build a better body!

Two in the Morning and Two at Night Gives You ALL the Vitamins and Minerals You Need

ULTRA-4 is ultra-easy to take. Just 4 tablets a day and you're done! **ULTRA-4** contains every vitamin and mineral you need and replaces multiple bottles of supplements. Hey why not simplify?

Life has challenges enough already! If you've been paying high prices for bottles and bottles of vitamin and mineral supplements that aren't even designed for what you do, stop wasting your money. If you've grown tired of the daily opening of an endless array of vitamin bottles and downing handfuls of pills to get your vitamins and minerals in, make a decision to stop.

Choose ULTRA-4 instead and reduce your costs, hassles and difficulties. It's another way you can simplify your regime and get all the daily vitamins and minerals you need to get you through your demanding day. If, for any reason or no reason, you are not completely satisfied with ULTRA-4, just let us know and we'll take care of it. Really, it's that simple.
